Check-list for the recipient:

- Please work with a certified child passenger safety technician to ensure that you are using your child's car seat properly.
- If there is a recall on the seat that has not been remedied, please contact the manufacturer immediately and repair the seat as directed.
- If there are parts/accessories missing from the seat, please contact the manufacturer immediately and replace parts as directed.
- Car seats that have been involved in a crash may not be safe to use. Please consult the manufacturer.
- Wash your child's car seat ONLY as directed by the manufacturer.
Note: harness straps typically CANNOT be washed.
- Do NOT use a car seat past its expiration date.
